Dear Councilmembers,

I am opposed to ZTA 22-01.

It is autocratic. It is discriminatory. It is irresponsible.

ZTA 22-01 is another embarrassing piece of industry-serving legislation imposed upon residents by the bill's lead sponsor.

More specifically, ZTA 22-01:

- requires residents to purchase new cell phones and cell plans to take advantage of the technology facilitated by ZTA 22-01. (The low-end iPhone is \$450 + the new adaptor, headphones, case, and screen protector; the [least expensive 5g cell plan](#) is \$48 + taxes + fees.)
- continues the Council's trend of denying notice and hearings to taxpayers.
- ignores that health studies have never been done to prove its safety.
- disproportionately impacts lower-income taxpayers, thus discriminating de facto.

Respectfully,

Lisa Cline
